## Statement regarding Pilot chair

### 1 Introduction

On behalf of Johanson Design AB, SP has carried out an assessment on pilot chair, in accordance with EN 16139:2013 Furniture - Strength, durability and safety – Requirements for non-domestic seating, level 1.

### 2 Assessment

Based on SP report 4F013608L dated 2014-08-28, following Pilot chairs are assessed to meet the requirements for safety and durability in accordance with EN 16139:2013, level 1.

Pilot chair without armrests  
Pilot chair with low backrest and armrests  
Pilot chair with low backrest without armrests

This implies that design, material qualities, dimensions and other characteristics, which may affect the test results, are identical to the tested pieces.
