

# Detroit

Design – Mattias Ljunggren

**JOHANSON**

## Introduction

Stand in a variety of colors that can be combined with various tabletops. Minimum diameter Ø90.

## Designer

Mattias Ljunggren's design is characterised by a pared-down lightness of touch. Mattias Ljunggren was born on the island of Gotland in 1956 and is a qualified Interior Architect SIR/MSA. He works on artistic projects, exhibitions in galleries and museums, takes on private and public interior design commissions and designs furniture. He has twice won the Swedish Association of Architects' Golden Chair award ("Guldstolen")

## Recycling

All steel parts are recyclable.

Before we finish the chrome/lacquer all grease/oil is removed by alkaline wash and then sent for destruction. The lacquering is produced by electrostatic epoxy powder coating that gives a minimum of waste. The electrostatic chrome (chrome 3) is recyclable. The plastic parts that are used are recyclable by grinding. All upholstery and frames of synthetic material are totally without C.F.C. emissions. All glue is water based.

## Material declaration

For more information about the product please download material declaration on our website, under Downloads à Product Information at [www.johansondesign.com](http://www.johansondesign.com)
