

Detroit

Design – Mattias Ljunggren

JOHANSON

Introduction

Stand in a variety of colors that can be combined with various tabletops. Minimum diameter Ø90.

Designer

Mattias Ljunggren's design is characterised by a pared-down lightness of touch. Mattias Ljunggren was born on the island of Gotland in 1956 and is a qualified Interior Architect SIR/MSA. He works on artistic projects, exhibitions in galleries and museums, takes on private and public interior design commissions and designs furniture. He has twice won the Swedish Association of Architects' Golden Chair award ("Guldstolen")

Model

Material

Multicolour - Finish RAL

Take part in Johanson's color range, 405 variants of different finishes are offered as standard on steel frames and metal details. Choose from all 195 RAL colors, alternatives are available both as solid finish (gloss 72) or Structure finish which has a matte, slightly textured elegant surface. In addition, 15 RAL colors with pearl finish and chrome are offered.

For all colours see www.johansondesign.com

195 Solid collection (gloss 72)

195 Structure collection (matte, textured surface)

15 Pearl finish collection and chrome.

Facts

Material

The base is made of finished/lacquered metal.

Recycling

All steel parts are recyclable.

Before we finish the chrome/lacquer all grease/oil is removed by alkaline wash and then sent for destruction. The lacquering is produced by electrostatic epoxy powder coating that gives a minimum of waste.

The electrostatic chrome (chrome 3) is recyclable.

The plastic parts that are used are recyclable by grinding. All upholstery and frames of synthetic material are totally without C.F.C. emissions. All glue is water based.

Measurements cm

Weight (kg) 7,0
Volume (m³) 0,32
