

Family  
**Opus**

Design – Böttcher & Kayser

**JOHANSON**

## Introduction

A stylish and comfortable chair available with a high or low back and the option to choose with or without armrests. The design is characterized by a flowing and clear line, defined soft contours, a seat shell with an iconic shape and a well-coordinated back curve that gives the furniture a clear and modern character.

Through OPUS, Johanson's range is further broadened. A model that is slightly more compact than Milo and

with a narrower backrest, OPUS is a perfect model around the meeting table. Choose between four different bases and enable flexible furnishing.

The upholstery gives a soft feeling with the clear indentations that become a nice detail. Johanson's flexible production opens a wide range of textile options. Create personal environments with a model that is both comfortable and appealing.

## Designer

Böttcher & Kayser is a Berlin-based studio founded in 2007, working in the fields of consumer product, furniture, lighting and interior design. Moritz Böttcher and Nikolaus Kayser have been rewarded with several prestigious awards such as the Interior Innovation Award, several iF Design Awards and numerous Red Dot Awards – including the award, Best of the Best' in 2013. Their projects have been published in books and magazines around the world.

# Models

---

# Material

---

## Seat - Upholstery materials

Johanson offers a very generous range of fabrics, leather and artificial leather from the most reputable suppliers in the world. Should any other material be desired despite the wide selection, it is also possible to suggest other materials. Johanson does not charge start-up costs for handling non-standard materials.

## Multicolour - Finish RAL

Take part in Johanson's color range, 405 variants of different finishes are offered as standard on steel frames and metal details. Choose from all 195 RAL colors, alternatives are available both as solid finish (gloss 72) or Structure finish which has a matte, slightly textured elegant surface. In addition, 15 RAL colors with pearl finish and chrome or polished aluminum are offered.

For all colours see [www.johansondesign.com](http://www.johansondesign.com)

**195 Solid collection** (gloss 72)

**195 Structure collection** (matte, textured surface)

**15 Pearl finish collection**

**Chrome** (08, 09- base)

**Polished aluminum** (03-base).

# Accessories

---

## Wheels

Wheels for 03-base in black, white and chrome.

## Extra

Tilt mechanism and height adjustment for 03-base  
Felt gliders

# Facts

## Opus detail

20-50%  
Recycled Swedish steel

Separable

### Material

FSC certified wood.  
Padding is made of polyether/foam.  
Finished/lacquered metal.

### Fire classification

All products meet Möbelfakta's fire requirements. All polyether/foam are tested to Cal TB 117. All standard fabrics meet EN 1021:1 & 2. Other classification, for example BS 5856 (Crib 5) on request, please contact customer support.

### Certificate

### Recycling

All steel parts are recyclable. Before we finish the chrome/lacquer all grease/oil is removed by alkaline wash and then sent for destruction. The lacquering is produced by electrostatic epoxy powder coating that gives a minimum of waste. The electrostatic chrome (chrome 3) is recyclable. The plastic parts that are used are recyclable by grinding. All upholstery and frames of synthetic material are totally without C.F.C. emissions. All glue is water based.
